

# NA-SIMS Workshop 2025

## Northridge, CA

### June 8-12, 2025

<https://www.na-sims.org/home/sims-workshop>

Abstract Submission Deadline: March 14th

Come to Northridge and Hear About the Latest Research in Secondary Ion Mass Spectrometry! This year's conference will include the following:

- SIMS School with mass spectrometry tutorials
- Excursions to Getty Museum, Griffith Observatory and Santa Monica Pier
- Exhibition showcasing the latest products.
- Several scientific sessions with topics ranging from fundamentals, biology, polymers and materials, geo-SIMS and applied mass spectrometry
- Working meetings discussing critical needs in SIMS such as establishing databases, a SIMS wiki, and promoting diversity in SIMS.
